A Structure of the Highest Quality

The classical design which has a multitude of applications such as exhibitions, conferences, logistical solutions, corporate hospitality and product launches.

Our PVC is manufactured from the highest quality Serge Ferrari fabric and is available in:

- standard translucent - maximising light
- opaque to provide total black-out for presentations
- crystal when you want to optimise a view or feature

Structures can be fitted with an integral cassette flooring system and with a variety of wall finishes and entrances.

The structure is designed in accordance with the British BS6399, German DIN 4112, French CTS and Eurocode.
